 Chemical Right-to-Know Program

In response to the recent letter from Charles Auer, Director of the Office of Pollution Prevention and Toxics, Huntsman is pleased to inform you that we fully intend to meet the commitments made to the High Product Volume (HPV) Challenge Program. Robust summaries and test plans for two outstanding chemicals will be submitted according to the following schedule:

| CAS Number | 9th Collective Index Name | Scheduled Submission Date |
|------------|--|---------------------------|
| 929-06-6 | Ethanol, 2-(2-aminoethoxy)- | June 2006 |
| 68953-70-8 | Oxirane, reaction products with ammonia, distn. residues | Jan 2006 |

If you have any questions or need further information, please do not hesitate to contact me.

Regards,

Don
